NOTRE DAME SCHOOLS

NDES Mission

Celebrating God's goodness and provident care, Notre Dame Elementary School educates children by nurturing dreams, excellence, and success for transforming their lives and our world.

NDCL Mission

Like Mary, who gave Christ to the world, Notre Dame-Cathedral Latin School educates leaders who transform the world, as Jesus did, by living the truth in love.

Vision

Notre Dame Schools will engage students in an exceptional Catholic education.

We will focus on loving, respecting, and educating all to discover and develop their God-given talents.

We will challenge our students to respond faithfully to Jesus' call to transform the world by consciously doing good and bringing hope to the hearts of all.

Core Values

- Excellence

Join Us for Giving Day November 20

At Notre Dame Schools, we believe that every act of generosity creates a ripple—one that spreads far beyond the moment of giving. On November 20, we invite our entire community of donors, alumni, parents, and friends to be part of something extraordinary: **Giving Day 2025**.

This year's theme, "One Ripple. Endless Impact," celebrates the power of collective generosity. Whether it's a gift that supports scholarships, enhances academic programs, or strengthens our faith-based mission, every contribution helps shape the future of our students and the Lion Community.

"He has made everything beautiful in its time." – Ecclesiastes 3:11

There is no season that showcases the beauty of our Notre Dame Schools campus quite like autumn. The 450 acres of woods and winding paths provide us with a campus like no other. This fall, as I walk across our grounds, I am deeply aware of the beauty not only in nature, but in the life of our school community.

We recently concluded our Capital Campaign, raising an extraordinary \$12.7 million in support of our mission. Thanks to the generosity of so many, we grew our Endowment, enhanced our science and learning spaces, transformed our athletic facilities, and completed the \$3.2 million renovation to expand our middle school. Each improvement reflects a community committed to providing the very best for our students—mind, body, and spirit.

As I look across our campus, I see more than new facilities. I see classrooms, labs, and athletic facilities, representing the countless alumni and friends who built the foundation upon which Notre Dame Schools stands today. You are the reason our students can dream boldly and achieve greatly.

One of my favorite parts of this year has been connecting with alumni—the heart and history of Notre Dame. From our Cleveland Alumni event at Southern Tier where stories and laughter were shared, to the Come Home, Men of Latin gathering, where our football players proudly wore the Cathedral Latin purple and gold, I was reminded how strong and enduring the Lion spirit truly is. I was also blessed to make a second annual trip to Colorado and have lunch with the Rocky Mountain Lions, whose pride in their alma mater reaches all the way across the country. And most recently, the Ladies Night Out event with Notre Dame Academy and NDCL alumni in the heart of Ohio's wine country—a perfect fall evening!

As the leaves turn and another school year unfolds, I am filled with gratitude for all who make Notre Dame Schools such a special place. Together, we are shaping young minds, strengthening traditions, and building a future as bright and beautiful as our campus in the fall.

As the leaves turn and another school year unfolds, I am filled with gratitude for all who make Notre Dame Schools such a special place. Together we are challenging our students to respond faithfully to Jesus' call to transform the world by consciously doing good and bringing hope to the hearts of all.

Letter from the BOARD CHAIR

Greetings to our alumni, families, and friends of Notre Dame Schools,

It's been another busy Summer and Fall on our campus and within our broad community as we continue to grow and positively impact those around us. This occurs in large and noticeable ways, such as the completion of the Middle School renovation, but also in other, perhaps less noticeable, but still impactful ways. Other examples of our mission in action include one of students, Natalie, sharing with our Board of Directors how her Christian values have grown during her NDS experience, or Danny, who shared his connectedness with the Sisters of Notre Dame every time he sees the stained-glass Mary donor wall in the Middle School. Our community continues to work strongly together, and independently, in a myriad of impactful and important ways.

This was done through the incredible generosity of our community and similar effort by our Advancement Team and Capital Campaign committee. We are incredibly grateful and fortunate for you and the results targeted in the campaign. Our students, faculty and staff are enjoying our enhanced facilities and our Board and leadership thank you for our strengthened endowment and future.

We also wanted to thank our community for working together and communicating so effectively recently to fast-track renovations work on our baseball and softball fields. This work was needed, so people worked together to elevate this message, which then helped to prioritize this work, which was quickly approved so that these improvements could get going. It was a sizable initiative involving many. Thank you all for this communication and collaboration.

We are also excited to welcome three new Board members this year, George Collins '65, Robert Coode, and Dr. Tripp Petzel. We are grateful for the application of their time and expertise in support of our mission. Our Board and leadership Staff remain aligned and working diligently on maintaining and improving our academics, athletics, faith, and facilities through our ongoing work and our Strategic Planning efforts. While we celebrate some recent success, we remain focused on our future and strengthening the mission and impact of our schools and to continue to be a regional leader in Catholic education. Thank you to all of those who have given their time and expertise to this ongoing endeavor.

Lastly, as we approach Giving Day on November 20th, we appreciate your ongoing generosity and support.

Sincerely,
David Payne

LEADING TRANSFORMATION

THE CAMPAIGN FOR NOTRE DAME SCHOOLS

CAPITAL CAMPAIGN EXCEEDS GOAL: ACHIEVES \$12.7 MILLION FOR NOTRE DAME SCHOOLS

Successful Completion of
LARGEST CAMPAIGN
in School History!

Notre Dame Schools proudly announces the successful completion of its largest campaign in school history, Leading Transformation: The Campaign for Notre Dame Schools. The campaign achieved \$12.7 million in commitments since it began in 2022.

“This campaign is a true milestone in the history of Notre Dame Schools”, says Notre Dame Schools President Dr. Jacqueline Hoynes. “Our donors’ generosity has allowed us to transform our campus in ways that will enrich the academic, spiritual, and personal growth of our students for generations to come. This is more than just an investment in buildings—it is an investment in the young men and women who will lead with faith, knowledge, and character.”

Thanks to a completion gift from The Scaminace Family, the campaign expanded Notre Dame Middle School, built a new grandstand, press box and plaza at Lion Stadium, opened the Rieger Athletic Center, renovated two NDCL science labs and classrooms, and grew the schools’ endowments.

The campaign was the largest in school history. Thank you to our donors—alumni, families, and friends of NDCL and Notre Dame Elementary and Middle School for investing in Catholic education!

Testimonials from CAPITAL CAMPAIGN DONORS

ANTHONY ANDERSON '07:

"I've been extremely fortunate that Notre Dame Schools has had a lasting impact on my life. As my children start their own educational journey at the school, I wanted to do my part to ensure that tradition continues. In today's environment, an education that nurtures the whole person--mind, body, and spirit-- is exactly what is needed to shape

the newest generation of future leaders for our community. Making Catholic education more accessible, strengthening academic and faith formation, and investing in the infrastructure of the campus were just a handful of priorities that inspired me to be part of this campaign."

KEVIN AND KELLY THEISSEN:

"When we moved here and discovered Notre Dame Schools, we knew immediately it was a community we wanted to be a part of! We chose Notre Dame Schools for the nurturing environment combined with challenging curriculum. We want our children to be educated in a strong Catholic culture and to prepare them for both college

and for life. In addition to the education, the values that they get from the Notre Dame Schools are priceless. We are glad to be a small part of the strong support that the schools receive. We love it here!"

JIM '64 AND BETTE ZALETEL:

"In the many years that have passed since attending and graduating from Cathedral Latin School, I've come to realize the impact those four years have had on my life. The time spent there, with all the ramifications of a Catholic education has guided me to a life of success, fulfillment, and happiness. Seeing my high school reborn as Notre Dame-Cathedral

Latin has provided me an opportunity to promote the tradition of a rewarding Catholic education that fosters faith, social, and academic values. As NDCL continues to grow and prosper, Bette and I plan on continuing our financial commitment. The results we see in the eyes of the NDCL students brings us happiness and hope for the next generation."

MARY ELLEN POWERS '73:

"I was blessed to spend my high school years at Notre Dame Academy, getting a great education in a wonderful faith-based community, all in beautiful surroundings and at an affordable price. Much has changed in a half century, but not the fundamentals that made the place so special. The success of the Capital Campaign reflects the

strong commitment of the NDCL family to making these same opportunities available to future generations."

NOTRE DAME SCHOOLS is grateful to these Capital Campaign donors.

You said **YES** to the largest campaign in school history. Because of your generosity, we expanded the Middle School, enhanced athletic facilities, renovated two science classrooms, and grew Endowment.

Join Us for Giving Day November 20

At Notre Dame Schools, we believe that every act of generosity creates a ripple—one that spreads far beyond the moment of giving. On November 20, we invite our entire community of donors, alumni, parents, and friends to be part of something extraordinary: Giving Day 2025. This year's theme, "One Ripple. Endless Impact.," celebrates the power of collective generosity. Whether it's a gift that supports scholarships, enhances academic programs, or strengthens our faith-based mission, every contribution helps shape the future of our students and the Lion Community.

Our Giving Day goal is \$300,000, and with your help, we know we can reach it. Your gift—no matter the size—will create ripples that touch lives, inspire growth, and build a legacy of excellence rooted in Catholic values.

Why Give on November 20?

- Your gift will be part of a united day of giving, amplifying its impact.
- You'll join a community of supporters who believe in the transformative power of education and faith.

How You Can Help:

- Make a gift online on November 20th.
- Spread the word on social media using #OneRippleEndlessImpact.
- Encourage classmates, fellow parents, and friends to join the movement.

Together, we can create a wave of generosity that lifts every student, every classroom, and every dream. Let's make November 20 a day to remember.

One Ripple. Endless Impact.
Let yours begin today.

Dear Alumni, Families, and Friends,

I am honored to represent Notre Dame Schools as the Chief Financial Officer! Together, with our Finance Committee Chair, Matt Keefe, we are pleased to share important developments regarding Notre Dame Schools.

We published our strategic plan earlier this year with the vision for our finance team to provide accurate, timely and mission-aligned financial information to support strategic decision making, optimize resource allocation and safeguard school assets. As part of that long term vision, in the last year, we've evaluated and enhanced tuition and financial aid models, implemented sustainable salary tables, and maintained balanced budgets with a focus of investing in ourselves.

Your support, whether through contributions, volunteering, or spreading the word, has made a profound difference in the lives of our students and the sustainability of our Catholic educational mission. Together, we continue to seize opportunities, bolster our facilities and endowment, and build an even stronger foundation for generations of students to come.

As we continue to navigate the ever-evolving landscape of Catholic education, we understand the importance of transparency and shared responsibility. We remain committed to providing a faith-based education of the highest quality to our students.

Thank you for your commitment and support of our schools!

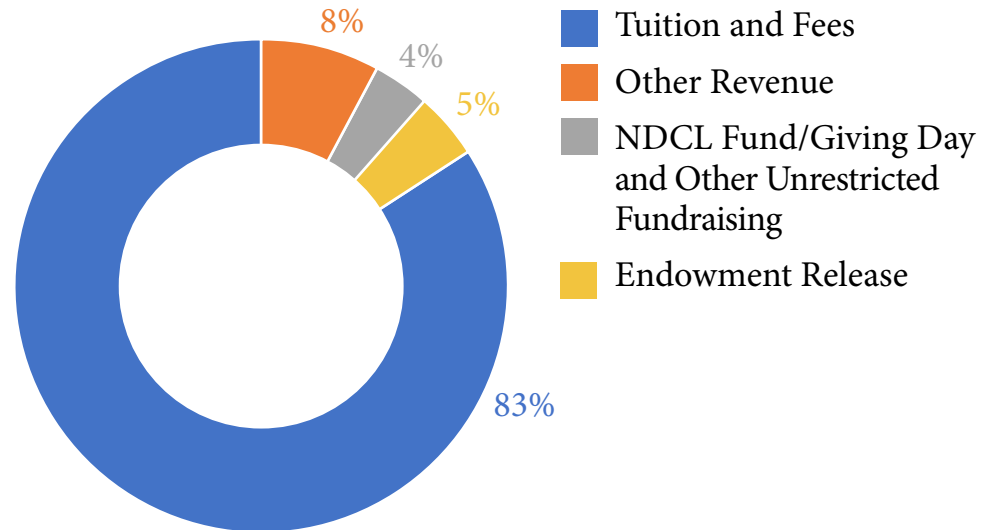

Yours in peace,

Questions about LionSGO?

Contact Frank Rihtar '00 at LionSGO@ndcl.org.

Deadline extended to April 15, 2026 for your 2025 tax credit!

A little planning **GOES A LONG WAY** in supporting Catholic education

Consider one or both of these meaningful ways to invest in NDCL and Notre Dame Elementary/Middle School:

GIVE FROM YOUR IRA through a Qualified Charitable Distribution

- You must be age 70 ½ or older
- You can give up to \$108,000
- Amount you give counts towards your IRA's required minimum distribution
- Apply your gift to: Giving Day, Endowment, NDCL's future STEM and Innovation Space, or area of the schools' greatest need

Include NDCL or Notre Dame Elementary/Middle School **IN YOUR WILL**

- Make a lasting legacy gift by including the school as a beneficiary in your will
- After your lifetime, the school gets a % of your estate remainder
- Let us know and be included in the Notre Dame Circle membership

Give the gift of a lifetime!

YOUR PLANNED GIFT CAN:

- Create an Endowment Fund in your name or someone who influenced your life
 - Build NDCL's STEM/Innovation Space
 - Enhance Athletic Facilities
 - Amplify the 2025 Giving Day Total
- OR fulfill your area of interest that supports Catholic education at Notre Dame Schools

Interested in these giving opportunities but want to learn more?

HELP!

About 1,000 alumni addresses are old and incorrect. The Post Office charges us for each of these returned issues and other mail and the cost adds up! Take a moment to share your current mailing address with us so you stay in the know. Parents of Alumni: take the time to update your son/daughter's contact info with us. Even if you think we may have it, send us the current information anyways. Tuffy says "Thank You!"
